**Memorandum Regarding Sequestration:**

This table does not show the effects of the sequestration required by Sec. 251A of the Balanced Budget and Emergency Deficit Control Act of 1985 (the Deficit Control Act), as amended by the Budget Control Act of 2011. On March 1, 2013, the Office of Management and Budget ordered the sequestration and reported that the total amount to be sequestered from discretionary accounts is \$68,413 million. Amounts in each column of this table that are subject to sequestration under the Budget Control Act of 2011 will be reduced on a pro-rata basis to meet that sequestration requirement.

SOURCE: Congressional Budget Office.

Notes: BA = budget authority; O = outlays; HHS = Health and Human Services; VA = Veterans Affairs; HUD = Housing and Urban Development.

In H.R. 933:

Division A = Department of Defense Appropriations Act, 2013

Division B = Military Construction and Veterans Affairs and Related Agencies Appropriations Act

Division C = Full-Year Continuing Appropriations Act, 2013

1. These amounts are subject to discretionary spending limits in the Deficit Control Act. The spending limits were established in the Budget Control Act of 2011 (P.L. 112-25), which amended the Deficit Control Act.
2. Division D provides for an across-the-board rescission of 0.098 percent of budget authority and obligation limitations in the nonsecurity category and 0.109 percent of budget authority in the security category. The rescission is applicable to amounts provided in H.R. 933 (with several exclusions; see sec. 3001(d)), advance appropriations for 2013, and contract authority in 2013 for any program subject to limitation incorporated or otherwise contained in divisions A through C of H.R. 933.
3. The spending limits set by the Deficit Control Act are to be adjusted to accommodate appropriations for these purposes, pursuant to section 251(b)(2) of the Deficit Control Act.
