This bill provides funding through April 8, 2011. The estimates in the table are shown on an annualized basis.

The nonemergency totals include 2011 scoring from 2010 supplemental appropriations acts (P.L. 111-212, P.L. 111-224, P.L. 111-230). The House and Senate Budget Committees have differing interpretations of the emergency designation for certain accounts in P.L. 111-212. The House interpretation is incorporated in the nonemergency amounts of this table. The table excludes the 2011 scoring for emergencies in the 2010 enacted supplementals (BA: \$3,217 million, outlays: \$26,314 million).
