Source: Congressional Budget Office

Notes: Assumes enactment in September, 2017.

H.R. 3672 would provide an additional \$7.85 billion in budget authority for fiscal year 2017, available until expended, for disaster relief requirements. In addition, H.R. 3672 designates those funds as emergency requirements pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Emergency Deficit Control Act of 1985; the discretionary spending limits for fiscal year 2017 would be adjusted to accommodate those amounts.
