The bill would

- Extend states' flexibility to disregard individuals' spousal income and assets when determining eligibility for home and community-based services and supports through September 30, 2019.
- Create a state option to establish health homes for children with medically complex conditions and provide two quarters of enhanced federal matching funds for states' payments to health homes.
- Extend the Community Mental Health Services Demonstration Program through June 30, 2019, or for two years, whichever is longer.
- Provide \$20 million in additional grant funds for the Money Follows the Person Program.
- Establish a civil monetary penalty for misclassifying covered outpatient drugs.
- Increase the number of days (from 90 to 100) that a state may delay payments in Medicaid to providers for medical services provided to a child with a medical support order.
- Prohibit Medicaid payments for vacuum erection systems or penile implants that are not medically necessary.
