**Table 1** displays CBO's estimate of the fiscal year 2019-2029 budgetary effect for H.R. 2157, the Supplemental Appropriations Act, 2019, as introduced on April 9, 2019. H.R. 2157 would provide supplemental appropriations for fiscal year 2019 to respond to various natural disasters, and designates those amounts as emergency requirements pursuant to section 251 of the Balanced Budget and Emergency Deficit Control Act

of 1985. The limits established by the Budget Control Act of 2011 (P.L. 112-25) as amended, would be adjusted to accommodate those amounts. Sections 504 and 505 of H.R. 2157 designate previously appropriated non-emergency funds as emergency requirements.

This action results in the decrease in non-emergency budget authority and outlays shown above for Homeland Security.

On April 24, 2019, CBO reposted this estimate because a five-year total was revised.
