H.R. 2140 would require the Administration to direct the United States' Permanent Representative to the United Nations to use the voice, vote, and influence of the United States to support adoption of a definition of "child marriage." It also would require the Administration to encourage the United Nations to develop a strategy to address child marriage in refugee settlements and conduct research into the issue. Advocating for those outcomes at the United Nations would not affect the federal budget, CBO estimates.

The CBO staff contact for this estimate is Ann E. Futrell. The estimate was reviewed by Leo Lex, Deputy Assistant Director for Budget Analysis.
