As ordered reported by the House Committee on Transportation and Infrastructure on June 26, 2019

By Fiscal Year, Millions of Dollars	2019	2019-2024	2019-2029

Increases on-budget deficits in any of the four consecutive 10-year periods beginning in 2030?	No	Contains intergovernmental mandate?	No

H.R. 2726 would codify Amtrak’s prohibition on smoking, including electronic cigarettes, on all trains. Amtrak has had restrictions on onboard smoking in some form since 1993.

Because the requirements under H.R. 2726 are consistent with current Amtrak policy, CBO estimates that enacting the bill would have no effect on the federal budget.

The CBO staff contact for this estimate is Robert Reese. The estimate was reviewed by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
