

## CONGRESSIONAL BUDGET OFFICE COST ESTIMATE

August 5, 2016

### **S. 1930** **Kennesaw Mountain National Battlefield Park** **Boundary Adjustment Act of 2015**

*As ordered reported by the Senate Committee on Energy and Natural Resources  
on July 13, 2016*

S. 1930 would adjust the boundary of the Kennesaw Mountain National Battlefield Park in the state of Georgia. The bill would authorize the National Park Service (NPS) to acquire about 8 acres of land, including the Wallis house and Harriston Hill, by donation or exchange. Based on information provided by the NPS, CBO estimates that implementing S. 1930 would cost \$2 million over the 2017-2021 period to develop and operate the new property. That spending would be subject to availability of appropriated funds.

Because enacting S. 1930 would not affect direct spending or revenues, pay-as-you-go procedures do not apply. CBO estimates that enacting S. 1930 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027.

S. 1930 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

On February 19, 2016, CBO transmitted a cost estimate for H.R. 3371, the Kennesaw Mountain National Battlefield Park Boundary Adjustment Act of 2015, as ordered reported by the House Committee on Natural Resources on February 3, 2016. The two pieces of legislation are similar and CBO's estimates of their budgetary effects are the same.

The CBO staff contact for this estimate is Jon Sperl. The estimate was approved by Theresa Gullo, Assistant Director for Budget Analysis.
