H.R. 6020 would require the Government Accountability Office to consult with relevant committees in the Congress to provide an assessment of minor league baseball and its influences on the United States. CBO estimates the report would cost less than \$500,000; any spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Matthew Pickford. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.
