Notes

Components may not sum to totals because of rounding.

Estimates for title VIII reflect the passage of H.R. 3684, the Infrastructure Investment and Jobs Act.

Budget authority reflects appropriations specifically provided in title VIII or amounts estimated by CBO.

The costs of title VIII fall within budget function 370 (commerce and housing credit) and 800 (general government).

* = between zero and \$500,000.

a. Postal Service cash flows are recorded in the federal budget in the Postal Service Fund and are classified as off-budget. The legislation would transfer funds from the Treasury to the Postal Service Fund; that transfer would be classified as an on-budget transaction.

Title VIII would not increase on-budget deficits after 2031.

Title VIII contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.
