H.R. 7075 would designate 0.35 acres surrounding the Taras Shevchenko Memorial in Washington, D.C., as Ukrainian Independence Park. The land is under the jurisdiction of the National Park Service (NPS) and the bill would allow the agency to post signs in or near the park displaying information about Ukrainian independence.

Using information from the NPS, CBO estimates that the costs of new signage and of updating references to the park in laws, maps, or official documents would be insignificant; any spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Madeleine Fox. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.
